

THE INDUSTRIAL ASSOCIATION
OF CONTRA COSTA COUNTY

September 8, 2017

To: All Industrial Association Members and Past Forum Sponsors
From: Jack Bean, Executive Director
Subject: **Contra Costa Supervisors Luncheon November 9, 2017 Sponsorship**

The Contra Costa Board of Supervisors Luncheon will be held on November 9, 2017 at Zio Fraedo's from 11:00 a.m. to 1:30 p.m. As you also know, it is very important for us to have a good showing at this event and to make sure facility managers are in attendance. If you also know of a company that should belong to the Industrial Association, and does not, please let me know so we might extend an invitation. This event has a great deal of overhead cost with all of our invited guests and program development. As a result, we are actively looking for sponsorships. They are available at:

| | | |
|----------|---------|---------------|
| Platinum | \$1,500 | 1 table for 8 |
| Gold | \$750 | 4 tickets |
| Silver | \$500 | 2 tickets |
| Bronze | \$250 | 1 ticket |

If you are able to do a sponsorship please Email me at bbsb.iaccc@gmail.com or call me at 925-289-6412. We already have the following sponsorships signed up and would welcome others to help sponsor this important event.

Shell Oil Company
ECO Services

Sponsors will receive special verbal recognition and be listed on the invitation. We will also have photographs taken during the event for the web site. It is vital that we continue to promote our relationship with the County and we thank you for your support.

Thank you,

Jack Bean
Executive Director
