**The Industrial Association** is proud to announce our **February Forum** with **California State Senator Bill Dodd** of Senate District 3.

Elected in November of 2016 to represent California's 3rd Senate District, Senator Bill Dodd is a fifth generation Californian and lifelong resident of the district, where he grew up on a small family farm in Napa County. California's 3rd State Senate District includes all of Napa and Solano Counties, along with portions of Sonoma, Yolo, Contra Costa, and Sacramento Counties.

Prior to his election to the State Senate, Bill represented the 4th Assembly District. In the Assembly, Bill worked to help small businesses, protect the environment, and support seniors and working families. He advanced a balanced, sustainable budget that invests in our education system from preschool through higher education. Bill helped establish the state's Earned Income Tax Credit, promote career technical education, and create the Berryessa Snow Mountain National Monument – preserving over 330,000 acres of the California Coast Ranges in Napa, Yolo, Solano, Lake, Colusa, Glenn and Mendocino counties.

This will also be a great opportunity to meet our new **Executive Director, Mark Hughes**.
